

Join us in 2025! November 2 - 8, 2025

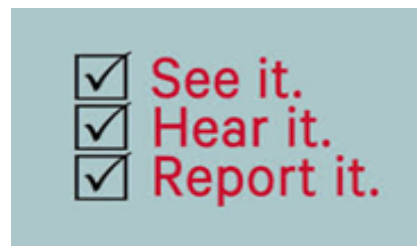

- Our Compliance Program consists of the key seven elements that help our organization promote a culture of compliance, mitigate risks, and maintain legal and ethical standards
 - Policies and Procedures
 - Compliance Oversight
 - Training and Education
 - Monitoring and Auditing
 - Reporting and Investigation
 - Enforcement and Discipline
 - Response and Prevention

Ways for you to celebrate Corporate Compliance and Ethics Week

- Review the Select Code of Conduct. Select expects all employees to commit to the Code of Conduct
- Review your “Contact Compliance” poster with staff to ensure everyone knows how to contact Compliance with a concern
- If you don’t have a “Contact Compliance” poster order one today from orders@selectrehab.com
- Employees should have compliance stickers on the back of their name badges with the compliance hotline number listed
- If you don’t have stickers on name badges, order them from orders@selectrehab.com

Reminders:

Report a compliance concern as soon as you identify or hear of an issue

Observe the Five Rights prior to providing treatment
